Financial Statements
July 31, 2020

Independent auditor's report

To the Board of Directors of Mennonite Disaster Service Canada Inc.

Our opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Mennonite Disaster Service Canada Inc. (the Organization) as at July 31, 2020 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

What we have audited

The Organization's financial statements comprise:

- the statement of financial position as at July 31, 2020;
- the statement of operations and changes in fund balances for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

PricewaterhouseCoopers LLP
One Lombard Place, Suite 2300, Winnipeg, Manitoba, Canada R3B 0X6
T: +1 204 926 2400, F: +1 204 944 1020

PwC refers to PricewaterhouseCoopers LLP, an Ontario limited liability partnership.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Mennonite Disaster Service Canada Inc.

Notes to Financial Statements

July 31, 2020

1 Nature of operations

Mennonite Disaster Service Canada Inc. (MDS) was organized to provide a channel through which various constituencies of the Anabaptist churches can respond to those affected by disasters in Canada, the United States, and their territories. It is federally incorporated without share capital and is registered as a charitable organization with the Government of Canada.

During the prior fiscal period, MDS had chose to change its period end to July 31 from November 30 to move away from the peak period for donations, being the holiday season.

2 Basis of presentation

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

3 Summary of significant accounting policies

These financial statements have been prepared in accordance with ASNPO, and include the following significant accounting policies:

Fund accounting

The accounts of MDS are maintained in accordance with the principles of fund accounting. Fund accounting is a procedure whereby a self-balancing group of accounts is provided for each accounting fund established by the Board of Directors (the Board) of MDS.

For financial reporting purposes, the accounts have been classified into the following funds:

General Fund

This fund reports the assets, liabilities, revenue and expenses related to general operations.

Externally Restricted Funds

Externally restricted funds are created as a result of donations designated for certain projects by the contributor. Contributors are informed at the time of donation that funds in excess of designated project expenses after a project closes may be reallocated to other Board approved projects. Overall project funding deficiencies (expenses in excess of designated contributions) are covered by the General Fund.

Mennonite Disaster Service Canada Inc.

Notes to Financial Statements

July 31, 2020

Bi-National Fund

Contributions designed for programs/projects are administered at the Region or Bi-National level. MDS is an organization that is split into five Regions, of which Regions 1 through 4 are in the United States and Region 5 (MDS Canada) encompasses all of Canada. The function of the Region is to provide mutual assistance among its units for disaster response within the Region. When a disaster requires response beyond the capacity of a Region, Bi-National is brought in to assist in the recovery effort. The Bi-National Fund consists of all programs/projects located in Regions 1 through 4.

MDS Canada and MDS Canada Units Fund

Contributions are designated for MDS Canada and/or units within MDS Canada. MDS units are the basic operational entities that coordinate the joint response of the individuals from multiple congregations. A unit is generally as large as a province and its name reflects the province(s) it covers. MDS Canada currently consists of seven units.

Internally Restricted Funds

Internally restricted funds are created as a result of Board decisions to restrict certain fund resources for specific activities.

Canadian Mennonite University (CMU) Disaster Recovery Program Bursary Fund

This fund is to be used toward bursaries for eligible students in the Disaster Recovery Program at CMU in Winnipeg, Manitoba. The CMU program was discontinued, and the fund remains for CMU student travel assistance.

MDS Canada Reserve Fund

This fund is to be used at the Board's discretion when operating deficits in MDS Canada projects arise. The fund will be replenished as directed by the Board from unrestricted funds as needed, to a maximum balance of \$80,000.

Funds Invested in Property and Equipment

This fund reports the acquisition, disposition and liabilities related to property and equipment.

Mennonite Disaster Service Canada Inc.

Notes to Financial Statements

July 31, 2020

Fund of Last Resort

This fund is designed to provide a last resort funding option for program materials when other funding sources cannot be secured. When MDS has funds in excess of six months' operating reserves, any portion of said excess can be transferred into the Fund of Last Resort at the Board's discretion.

Bequest Fund

This is a contingency fund for any underfunded disaster recovery rebuilding work initiated by the Bi-National or Region. An underfunded disaster is defined as a project that does not have sufficient externally or internally restricted funds. The funds are administered operationally and/or by approval of the Board.

Cash and interest-bearing deposits

Cash and interest-bearing deposits consist of funds held on deposit with various financial and banking institutions.

Property and equipment

Purchases of property and equipment are recorded at cost. Additions under \$1,000 are expensed when purchased and additions over \$1,000 are capitalized and amortized from the date of purchase. Amortization is based on the assets' estimated useful lives using the straight-line method over the following terms:

Office furniture and equipment	3 and 7 years
Project equipment	5 years
Leasehold improvements	Over lease term

Revenue recognition

MDS follows the restricted fund method for contributions. Unrestricted contributions are recognized in the General Fund when received or receivable. Restricted donations are recognized as revenue of the appropriate restricted fund when received or receivable. Restricted contributions for which there is not a designated restricted fund are recognized in the General Fund under the deferral method. Amounts pledged to MDS by supporters are not recognized in the accounts until received.

Investment income and other income are recognized when earned.

Translation of foreign exchange

Revenue and expense items denominated in foreign currencies are translated at exchange rates in effect at the transaction dates. Assets and liabilities denominated in foreign currencies are translated at the exchange rate prevailing at year-end.

Mennonite Disaster Service Canada Inc.

Notes to Financial Statements

July 31, 2020

Contributed services

A significant portion of MDS's operations is carried out by services donated by individuals. Due to the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

Expense allocations

The following expenses related to operations were allocated based on approved budgets as follows:

	Program %	Operations %	Board %
Administration costs			
Telephone	80	20	-
Publications	70	30	-
Postage	25	65	10
Supplies, printing, office			
MDS Canada projects	15	85	-
Other	100	-	-
Staff travel			
Programs	100	-	-
Other	60	40	-
Occupancy costs	55	31	14
Wages and benefits	55	31	14

The following expenses related to the Board were allocated based on approved budgets as follows:

	Program %	Operations %	Board %
Administration costs			
Telecommunications	65	10	25

Administration costs

Subject to review by the Board, MDS does not allocate any designated donations to the General Fund to cover the administrative cost of designated projects.

Use of estimates

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts could differ from those estimates.

Mennonite Disaster Service Canada Inc.

Notes to Financial Statements

July 31, 2020

Financial instruments

MDS initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the exchange amount.

MDS subsequently measures all its financial assets and liabilities at cost or amortized cost.

Financial assets measured at amortized cost include cash, interest bearing deposits and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

4 Cash

	2020 \$	2019 \$

	385,637	(279,786)	105,851	143,548

Mennonite Disaster Service Canada Inc.

Notes to Financial Statements

July 31, 2020

7 Related party transactions

MDS is part of a series of Regions in Canada and the United States undertaking relief efforts (note 1). The Bi-National office provides direction and coordination efforts to the Regions. MDS has undertaken transactions with the Bi-National office.

The following is a summary of the related party transactions occurring during the period:

	2020 \$	2019 \$
Grants from Bi-National Operations	19,226	13,165

Included in accounts receivable is \$nil (2019 – \$1,028) from Bi-National relating to expenses paid by MDS on behalf of Bi-National.

8 Commitments

MDS has commitments under operating leases requiring total approximate annual rental payments as follows:

	\$
2021	44,220
2022	44,555
2023	34,170

9 Interfund transfers

During the year, the Board approved interfund transfers to the externally restricted Bi-National Fund and MDS Canada and MDS Canada Units Fund from the General Fund in the amounts of \$64,200 and \$27,056 respectively.

The Board has also approved interfund transfers to the General Fund from the internally restricted, CMU Disaster Recovery Program Bursary Fund, Fund of Last Resort and Bequest Fund in the amount of \$653, \$25,000 and \$4,904 respectively.

10 Financial instruments

Credit risk

Credit risk is the risk one party to a financial instrument may fail to discharge an obligation and cause a financial loss to another party. MDS, in the normal course of operations, is exposed to credit risk from its donors. However, the broad donor base minimizes the credit risk.

Mennonite Disaster Service Canada Inc.

Notes to Financial Statements

July 31, 2020

Interest rate risk

Interest rate risk refers to the adverse consequences of interest rate fluctuations on MDS's cash flows, financial position and revenues. Certain of MDS's investments are subject to changes in interest rates.

Liquidity risk

Liquidity risk is the risk MDS will not be able to meet its financial obligations associated with financial liabilities in full. MDS expects to be able to meet its financial obligations in the foreseeable future.

During March 2020 and subsequently, the spread of COVID-19 has severely impacted many local economies around the globe. In many countries, including Canada, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions. Given the unpredictability of the duration, or the adverse effects, of this pandemic MDS is unable to determine the impact these events may have on donations, grants, investment income and projects and programs in the future.

Foreign currency risk

Foreign currency risk arises from certain of the MDS' obligations and activities, which must be settled in US dollars. MDS does not engage in hedging transactions to manage its exposure to foreign currency risk.
