INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Mennonite Disaster Service Lititz, Pennsylvania

Opinion

We have audited the accompanying financial statements of Mennonite Disaster Service (a nonprofit organization), which comprise the statements of financial position as of July 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mennonite Disaster Service as of July 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mennonite Disaster Service and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mennonite Disaster Service's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of Mennonite Disaster Service's internal
 control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mennonite Disaster Service's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 – Summary of Significant Accounting Policies

<u>General</u> – Mennonite Disaster Service (MDS) coordinates an organized response to disasters for the Mennonite and other related Anabaptist churches through its supporting organizations. MDS is made up of supporting organizations which include the five regions of MDS, each of which is made up of local units. In addition, those Anabaptist church conferences and denominations and related entities that provide resources or services to MDS and that are approved by the Board of Directors are supporting organizations.

<u>Use of Estimates</u> – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

<u>Cash and Cash Equivalents</u> – The Organization considers all checking and savings accounts to be cash. All funds invested in money markets are recorded as investments.

Reimbursements Receivable – Reimbursements receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on management's assessment of the credit history with organizations having outstanding balances and current relationships with them, it has concluded that realization of losses on balances outstanding at year-end will be immaterial.

<u>Financing Receivables</u> – Interest income on loans is recognized on an accrual basis. Accrued interest on loans, including impaired loans, that are contractually 90 days or more past due or when collection of interest appears doubtful is generally reversed and charged against interest income. Income is subsequently recognized only to the extent cash payments are received and the principal balance is expected to be recovered. Such loans are restored to an accrual status only if the loan is brought contractually current and the borrower has demonstrated the ability to make future payments of principal and interest.

The allowance for credit losses is maintained at an amount management deems adequate to cover inherent losses at the balance sheet date. The Organization evaluates each loan individually for collectability by considering whether it is probable that they will be unable to collect all amounts due according to the contractual terms of the loan agreements and whether it is probable that there would be an incurred loss in a group of loans with those characteristics. If either of these items are probable, an allowance or impairment is recorded through a charge to bad debt expense. Otherwise, no allowance is recorded and the receivable is recorded at its outstanding principal amount.

<u>Investments</u> – Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values. Unrealized gains and losses are included in the change in net assets.

<u>Foreign Currency</u> – Activity in currency other than U.S. dollars is recorded at the rate of exchange in effect at the time of transaction.

Note 1 - Summary of Significant Accounting Policies - Continued

<u>Property and Equipment</u> – Property and equipment are stated at cost less accumulated depreciation. Expenditures that significantly add to productive capacity or useful life of an asset are capitalized. Maintenance and repairs are charged to expense as incurred. When depreciable properties are retired or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income. Depreciation is computed by the straight-line method at rates based on estimated service lives.

Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as net assets with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

<u>Mutual Aid Sharing Plan</u> – The Organization is a member of a mutual aid sharing plan in which medical expenses are shared among the participating agencies once the agency retention has been reached (\$17,500 per covered person for the period ended July 31, 2023). The plan requires each agency to pay into a pool of reserve funds owned by the members. The reserve pool covers the next \$250,000 of any individual's claims that exceed the Organization's retention limit with stop loss protection for claims in excess of \$267,500. The total reserve fund owned by the Organization as of July 31, 2023 and 2022 was \$90,328 and \$151,904, respectively. Costs related to claims are expensed as incurred.

<u>Long-Lived Assets</u> – Long-lived assets to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the related carrying amount may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on the fair value of the asset and long-lived assets to be disposed of are reported at the lower of carrying amount or fair value less cost to sell.

<u>Collection Items</u> – The collection items, which were acquired by contributions, are not recognized as assets on the balance sheet.

<u>Net Assets</u> – The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Under these provisions, net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein consist of the following:

Net Assets without Donor Restrictions – net assets that are not subject to donorimposed stipulations. Net assets that have been designated by the board for specific purposes are included as net assets without donor restrictions.

Note 1 - Summary of Significant Accounting Policies - Continued

Net Assets with Donor Restrictions – net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. Also included in this category are net assets subject to donor-imposed restrictions to be maintained permanently by the Organization.

<u>Public Support and Revenue</u> – Contributions received are recorded as support without donor restrictions unless they are restricted by donor-imposed stipulations. Gifts of cash and other assets are reported as support with donor restrictions if they are received with donor stipulations that limit use of the donated assets. When a restriction expires, that is, when a stipulated restriction ends, or a purpose restriction is accomplished, restricted net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions received by the Organization with the expectation that they will be transferred to an indicated beneficiary are not recorded as revenue or expense on the statement of activities. These contributions are forwarded to the indicated beneficiary in a timely manner.

<u>Donated Materials and Services</u> – Donated materials are reflected as contributions in the accompanying statements of activities at their estimated fair market value on the date received, and consist of vehicles, furniture, tools, and building materials.

Donated services are reflected in the financial statements at the fair value of the services received. Donated services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation

In addition, the Organization receives a significant amount of donated services from unpaid volunteers who assist in program activities. No amounts for these services have been recognized in the statements of activities for the value of these donated services because the criteria for recognition have not been satisfied.

<u>Functional Allocation of Expenses</u> – The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes – Mennonite Disaster Service is a corporation exempt from United States federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has recognized in its determination letter both the Organization's exemption and that annual tax returns are not required to be filed. Therefore, the Organization has no tax return filing requirements with any regulatory agencies. As a result, there are no statutes of limitations in place for any potential income tax liabilities that could arise.

<u>Pension Benefits</u> – The Organization has a defined contribution plan which covers all employees after one year of qualifying service. The Organization contributes 3% of the employee's eligible compensation and matches up to 2%. For the years ended July 31, 2023 and 2022, the amount charged to expense for the Organization's pension plan was \$80,376 and \$68,724, respectively.

Notes to Financial Statements

Note 1 - Summary of Significant Accounting Policies - Continued

<u>Promotion Expenses</u> – The Organization expenses promotional costs as they are incurred. Promotion expenses were \$199,540 and \$180,636 for the years ended July 31, 2023 and 2022, respectively.

<u>Subsequent Events</u> – Events that occurred subsequent to July 31, 2023 have been evaluated by the Organization's management through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

Note 2 - New Accounting Standards

Pronouncements issued by the Financial Accounting Standards Board (FASB) with future effective dates are either not applicable or are not expected to be significant to the Organization's financial statements.

Note 3 – Cash and Cash Equivalents

The Organization maintains multiple accounts with various banks. Certain bank deposits may exceed Federal Depository Insurance Corporation limits during the year.

Note 4 - Promises to Give

Unconditional promises to give at July 31, 2023 and 2022 consist of the following:

	2023 	<u>2022</u> \$
MACP Disaster Ready	Ψ	575,000
<u>Total</u>	0	575,000

There was no allowance for uncollectible promises to give for the years ended July 31, 2023 and 2022.

Notes to Financial Statements

Note 5 - Investments

Investments at July 31, 2023 and 2022 are comprised of the following:

Net unrealized loss in investments	(47,269)	(2,632,620)
<u>Total</u>	172,573	(1,866,817)

Notes to Financial Statements

Note 6 - Fair Value Measurements

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization can access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Organization's assets at fair value as of July 31, 2023 and 2022, respectively:

Notes to Financial Statements

Note 6 - Fair Value Measurements - Continued

Note 6 - Fair Value Measurements - Continued

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2023 and 2022.

Equities: Valued at quoted market prices which represents the fair value of shares held by the Organization at year-end.

Mutual funds: Valued at quoted market prices which represents the net asset value ("NAV") of shares held by the Organization at year-end.

Money market funds: Valued at cost which is equivalent to fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7 – Property and Equipment

Property and equipment as of July 31, 2023 and 2022 consists of the following:

	2023	2022
	\$	\$
Office equipment	555,363	518,873
Vehicles and equipment	6,870,281	5,961,703
Land and building	4,889,688	4,583,200
Construction in progress	524,841	273,967
Total cost	12,840,173	11,337,743
Less accumulated depreciation	6,448,339	5,743,591
<u>Total</u>	6,391,834	5,594,152

Depreciation charged to expense during the years ended July 31, 2023 and 2022 totaled \$804,979 and \$840,940, respectively.

Note 8 - Collection Items

The Organization's collection items are art objects that are held for educational purposes. The items are preserved, cared for, and exhibited. The collection items are subject to a policy that requires proceeds from their sale to be used to acquire other items for collections.

Notes to Financial Statements

Note 9 - Net Assets

Net assets with donor restrictions as of July 31, 2023 and 2022 were available for the following purposes:

	2023 \$	2022 \$
Scholarships Organizational development Legacy Fund - donor restricted Disaster recovery programs	90,098	90,098 5,300 86,682 2,901,483
Total Net Assets With Donor Restrictions	2,613,483	3,083,563

Net assets were released from donor restrictions for the years ended July 31, 2023 and 2022 by satisfying the purpose restrictions specified by donors as follows:

	<u>2023</u> \$	2022 \$
Organizational development Disaster recovery equipment Disaster recovery programs Legacy Fund - donor restricted	5,300 65,516 4,226,484 86,682	5,000 3,185,151
Total Net Assets Released from Donor Restrictions	4,383,982	3,190,151

Net assets without donor restrictions included the following amounts designated by board action as of July 31, 2023 and 2022 and thus are not available for current operations.

	2023	2022
	\$	\$
Legacy Fund - board designated	7,749,501	7,605,688
<u>Total</u>	7,749,501	7,605,688

Note 10 – Affiliates

Mennonite Disaster Service Canada is a supporting organization that serves as one of the five regions of MDS, specifically Canada. MDS receives certain program and administrative services from MDS Canada. Total costs for agreed upon allocated services were \$21,611 and \$24,788 for the years ended July 31, 2023 and 2022, respectively. Total amount received from MDS Canada were \$3,455 and \$8,340 for the years ended July 31, 2023 and 2022, respectively. At July 31, 2023 and 2022, \$8,875 and \$3,556, respectively, was receivable from MDS Canada.

Contributions received on the behalf of and forwarded to local units during the years ended July 31, 2023 and 2022 were \$249,406 and \$232,106, respectively.

Notes to Financial Statements

Note 11 - Liquidity and Availability

The Organization's financial assets and liquidity resources available within one year for general expenditures, such as operating expenses and purchase of property and equipment not financed with debt, were as follows:

	2023	2022
	\$	\$
Cash and cash equivalents	1,456,410	1,876,225
Reimbursements receivable	168,659	152,124
Promises to give		575,000
Investments	18,523,832	19,754,148
Total financial assets available within one year Less those unavailable for general expenditures within one year:	20,148,901	22,357,497
Custodian accounts	538,113	538,446
Restricted by donor with purpose restrictions	2,613,483	3,083,563
Amounts reserved by board action	7,749,501	7,605,688
Financial assets available to meet cash needs		
for general expenditures within one year	9,247,804	11,129,800

The Organization intends on having financial assets on hand to meet 90 days of normal operating expenses. As part of its liquidity management, the Organization intends to structure its financial assets to be available as general expenditures, liabilities, and other obligations become due. Funds in excess of 270 days of operating expenses may be used for client materials on underfunded projects upon approval by the Board of Directors. The Organization also invests its cash in excess of its daily needs in short-term or long-term investments. Should an unforeseen liquidity need arise, the Organization could liquidate these investments.

Note 12 – Contributed Nonfinancial Assets

For the years ended July 31, 2023 and 2022, contributed nonfinancial assets recognized within the statement of activities include:

	2023	2022
	\$	\$
Buildings	10,279	635,366
Construction in progress		13,793
Repairs and maintenance	1,380	
Services	38,294	85,270
Supplies	15,769	
Vehicles	134,000	8,000
<u>Total</u>	199,722	742,429

Notes to Financial Statements

Note 12 - Contributed Nonfinancial Assets - Continued

The Organization recognized contributed nonfinancial assets within revenue. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions. The Organization records all in-kind donations based on the current market value available at the time of the donation. Market value for residential properties is estimated based on expected selling price. Market values for all other contributed nonfinancial assets are estimated based on the price to purchase similar products or services.

Contributed residential properties are monetized, while all other donated in-kind are utilized within the Organization.
